

In Paros Agnanti Resort, our priority is the safety and well-being of our guests and employees.

Following the declaration of the coronavirus (COVID-19) a pandemic on March 12, we would like to extend our warmest thoughts to the people who have been affected by this unfortunate event and our deepest appreciation to the healthcare workers and local communities who are fighting against the virus.

PAROS ISLAND: 'Anti covid19 destination with strong virus detection medical system'

Paros Island is one of the places in Greece with zero covid19 cases so far. The Municipality of Paros, in coordination with the National Health Care System, has installed an up to date molecular analysis test mechanism, which produces the results in 45'. In case of any unexpected situation, there is immediate action form the public medical and private authorities.

We are doing everything we can to provide the safest accommodation to you from **July 1st** 2020, as we are closely monitoring the latest developments, standards and protocols related to COVID-19 issued by the World Health Organization (WHO), the Greek Government, the Ministry of Health, local health agencies and public health officials. All will be in place to keep your health and safety top of mind.

Below is an update of our plans for the next period of time, subject to adjustment given ongoing and unforeseeable changes.

OUR COMMITMENT TO HEALTH & SAFETY

We assure you that our integrated Health and Safety plan foresees all measures, specifications and procedures across all hotel departments to address the new COVID-19 and any disease that can be transmitted in the community, in accordance to the World Health Organisation, the Greek Ministry of Health and local authorities:

1. Intensified cleaning & disinfection across all high-volume touch points & guestrooms
2. Disinfectant dispensers and one use tissues for guests in public areas
3. High standards of food safety
4. Social distancing specifications in public areas, reception and food and beverage outlets
5. Simple & fast check-in / check-out procedures
6. Doctors on call 24/7 to provide special care to our guests
7. Ongoing training for our compliant staff
8. Awareness campaign at all Lamway Hotel Management Group properties

In addition to these measures, please visit Centers for Disease Control and Prevention [CDC](#) to learn more about what you can do to travel more safely.

Before your arrival, you will be informed in detail about our dynamic operating procedures, in order to make you feel prepared, safe and most importantly: relaxed.

In Paros Agnanti, Business is Business as usual, with top priority your Health and Safety!

We look forward to welcoming you soon! Until then, stay safe!

Best Regards,

Manos Tsigkakos
